INTERIORS

— ISO 9001:2015 CERTIFIED —

AN EXPERT **DESIGNER** For Your **HOME** INTERIORS

## ABOUT US

**raK** Interiors has been ceaseless since 2011, designing beautiful homes, cozy bedrooms, commercial spaces and offices with unique designs. We design your dream considering not just beauty but comfort. Whether it is a bedroom to sink in after a hectic day, a theatre unit to binge watch, a kitchen that modulates with your culinary experiments, or an office space to build your passion, we add magic to it. Once you sign in, your dream becomes our dream too.

## WHY **raK**

We began our journey in 2011, with a team of dedicated professionals and talented designers. Our diligent efforts clubbed with passion for designing upheld the brand and we emerged as the No.1 interior designer in South India. Phenomenal designs and unique finishes have always been our forte. With great support and hard work of the 500+ employees, we manufacture customised products with high quality materials from our collection. Our materials are tested to suit the drastic climatic variations in the region. With state-of-the-art German equipments and craftsmanship, we create products that are durable and unique.

# TURNKEY SOLUTIONS

We at RAK, master the art of end-to-end solutions. Our turnkey solutions are hassle-free and absolutely in line with designs and ideas discussed with our team. Turnkey solutions include every piece of furniture, electrical works, plumbing, flooring, tile works, wooden flooring, carpet works, home appliances, wallpapers, wall texturing, light fitting, décor, and what not! You name it and we've got it. Our design team will approach clients with a final quotation that meets their needs. Post approval of the same, all one needs to do is make a down payment and sign up for the work.

Our manufacturing team and designing team will work hand in hand to replicate the approved sketch. Turnkey solutions comes with timelines that match the specific requirements. Rest assured, you will be in the hands of South India's best interior designer. We make it so convenient for our clients that all they need to do is walk in with their belongings and feel at home in a jiffy! Our spell-binding solutions are well in line with the client's specific requirements. With unmatched quality and lifetime services, we deliver more than one's expectations of a fine and fabulous home.

TV unit  
Prayer unit  
Bar counter  
Chest of drawers  
Shoe Rack

## OUR WORK CYCLE

Our work begins the moment the customer shares their ideas and requirements with our team. The rough estimation process lets the customer get a grip on the finances to initiate a booking payment. A payment of Rs 40,000 for projects worth Rs 10 lakhs, and Rs 60,000 for projects worth more than Rs 10 lakhs will be required to get started. Our design team gets to work and the process sets a foot. Requirements for 3D drawings will be initiated only once we receive a minimum of Rs 2 lakhs in hand. Post confirmation of the design, a final quotation will be presented to the client for approval. Moving further, the project gets assigned to respective departments and our timeline starts ticking. Projects with area below 500 sqft require a completion time of 45 working days, where as those above 500 sqft will require upto 65 working days for completion

# 15 TYPES OF FINISHES

We pride ourselves on offering an unparalleled 15 types of finishes, setting us apart in South India. Each finish adds a distinct texture, appearance, and feel to your interior spaces, allowing for a high degree of customization and personal expression.

In addition to our extensive range of finishes, we offer over 1000+ color shades to choose from. This vast palette ensures that every client can find the perfect hue to match their vision and style. This extensive variety allows for precise matching with other design elements and personalizes your space down to the smallest detail. We ensure that every project we undertake is unique, reflecting the individuality and preferences of our clients and delivering high-quality, aesthetically pleasing results.

# FULLY EQUIPPED LARGEST MODULAR FACTORY IN SOUTH INDIA

RAK has **largest modular factory** with 1,00,000 Sqft space equipped with German machinery and regular enhancements to meet modern furnishing trends. With the widest range of finishes and color shades, our factory manufactures quality products to make your home extraordinary. Systematic manufacturing and assembly procedures guarantee top-quality results that are in line with the drawings.
